## CYMRU MONOCHROME

I am wondering if anyone would like to show their Distinction panel in Monochrome for the Cymru Monochrome Club. It can be RPS, AWPf or PAGB and any others I have missed; failed or successful, or in the making. I have already three people showing an F panel, an L panel and an AWPf panel but I would like at least one more. I have a date in mind - 20th July 2011. You will be sharing the evening. If the date doesn't suit you I can fit you in later on in the year. Contact me at [sugar34@ntlworld.com](mailto:sugar34@ntlworld.com)

## FFOTOGALLERY NEWS

**Condition Report: Meet the Artists/Discussion on Saturday 30 October, 11am - 3pm at Turner House, Penarth.**

**Condition Report** features the work of six Czech artists associated with the Department of Photography at FAMU (the School of Film and Television of the Academy of Performing Arts) in Prague. Their work represents a range of contemporary art practices in some way rooted in photography and lens-based media.

At this unique event, Dr. Ian Walker from University of Wales Newport and Robert Silverio, Head of Photography at FAMU discuss how the work exhibits certain Czech characteristics, but also the ideas and influences of a wider international art scene. Following this, artists Vojtěch Fröhlich, Jan Měříčka and Radek and Zdeněk Květoň will give a personal tour of their work on display.

Please join us for this exciting opportunity to meet the artists and engage in critical discussion about the work and its wider context. Refreshments will be available.

FREE event – booking essential, please [email turnerhouse@ffotogallery.org](mailto:email.turnerhouse@ffotogallery.org)

## MONMOUTH PHOTOGRAPHY CLUB'S EXHIBITION

Monmouth Photography Club will be holding an exhibition at:

The Bridges Community Centre,  
Drybridge Park  
Monmouth  
NP25 5AS  
Tel: 01600 715638

Officially the Exhibition will be open 10:00 am - 4:00 pm Tuesday 9th November to Saturday 12th November, but viewing will not be possible 10:00 am - 1:00 pm Thursday 11th November or all day Sunday 14th November.

## RED FOR HEART PHOTOGRAPHY COMPETITION

The theme for the competition is **Red for Heart**. The only rule is the colour **red** must be incorporated into your photo.

You don't necessarily have to feature hearts, but think about heart as a theme and what that means to you. As we are celebrating our 50th birthday in 2011 the picture could capture an element of celebration. Beyond this, the brief is open to interpretation and we encourage creativity.
